

Facts About the Silver Spring Garage 16 Redevelopment

What:

- Starting on or about March 1, 2010 all 57 parking spaces in the **King Street Lot (Public Parking Lot 16)** with entrances on King Street will be closed for **approximately 24 months**.

Why:

- Public Parking Lot 16 will be closed and developed into a mixed use development project called The Galaxy Project. The Galaxy Project will incorporate residential and retail space as well as **160 new public parking spaces**. When completed the newly built public parking garage will help meet the current and future parking needs in South Silver Spring.
